STEAK HOUSE

*Putting Contest*

Shriners Hospitals for Children, is a one-of-a-kind international health care system of 22 hospitals dedicated to improving the lives of children by providing specialty pediatric care, innovative research and outstanding teaching programs. Since 1922, Shriners Hospitals for Children have significantly improved the lives of more than 900,000 children.

Shriners Hospitals for Children is the recipient of the Independent Charities Seal of Excellence. This designation is awarded to the members of Independent Charities of America and Local Independent Charities of America that have, upon rigorous independent review, been able to certify, document and demonstrate on an annual basis that they meet the highest standards of public accountability, program effectiveness, and cost effectiveness.

The generosity of donors is what enables Shriners Hospitals for Children® to deliver life-changing medical care without placing burden on the families of our patients. There are many ways to give, from participating in one of many fundraising events throughout the year, to creating a plan for giving. No matter how large or small, every gift to Shriners Hospitals for Children makes a difference in the life of a child.

Net proceeds from the tournament are for the benefit of SBISC and to be used for the benefit of Shriners Hospitals for Children.

Payments are not deductible as Charitable contributions.

South Brunswick Islands Shrine Club is not responsible for accidents or injuries associated with this event.
