

LFCCI Special Meeting

October 2, 2018

Attending: Don Brewer, Gary Armistead, Jim Noel, Linda Issitt, Eric Morgan, Tim Cunningham, Cheryl Washburn

This meeting was called to discuss Hurricane Florence recovery issues. John Meng deal with the insurance issues and got stuck trying to get back from Southport, so he'll advise us at our regular meeting next week.

Don Brewer:

Trees-Dale Clemmons needs at least two full days to finish cleaning up the fallen and "hanging" trees on the golf course. In addition, he has marked other trees with an "X" that need to be removed and that will take him an addition estimated 6 days.

Tim and Jim will meet with Dale tomorrow and mark the specific trees to be felled which should be covered by insurance.

We know we need to close the course for two days ASAP so he can finish the work.

Gary Armistead moved that we close Wednesday, October 10 and Thursday, October 11.

Cheryl seconded the motion.

There was quite a bit of discussion and Jim and Tim will try to get Dale to do the work in 1 ½ days instead of two full days. If they convince him, the course will be open Thursday, October 11, front nine only.

Vote was approved unanimously.

Don will send an email to the membership advising them of the closings next week.

Tim will talk to Ben Galletto about debris removal while we are waiting to see if the County is going to pick up in our neighborhood. We plan for the insurance to cover this expense.

Chris Green is our new mechanic and is off to a great start, showing his value already.

4:50PM, Meeting adjourned.
