Newsletter
December 14, 2022

The LFCC Board would like to send out updates, information, and concerns to our membership. If possible, we plan to do this once a month to keep our membership better informed.

-- **Just a reminder!** Anyone wishing to contribute to our employee Christmas Giving Fund should do so by this Friday, December 16th. Let's make sure our "**people**" know we appreciate all they do for LFCC.

-- There's a rumor that Dean is going to have a **Christmas Sale** next Tuesday, December 20th! More information to follow!!

-- The practice range and all tee boxes were over seeded and look great. Should make our winter months a little easier. The painting of the fairways is in progress and should be done shortly. Thanks, Tim!

-- Trees along the cart paths are continually being removed. It just seems they keep multiplying and a never-ending process. But it's so important when we try to 'fix' our cart paths.

-- The contest for "Naming the Holes" has been completed. Dean/Jon will release the winners shortly. But without a doubt the best one was **#2 - Marsh Madness!!**

-- More Stephen Kay Plans are in the making with Hole #8. **No, we are not taking down the tree!!!** But the plans are to remove the trap and clean up the area and remove the hard area around the 150-yard marker/cart path. Really hard area to hit off and go between the two green side traps. Dan has a great plan, and our members will be happy to see the results.

-- **Member Appreciation Day** is being planned by Tammy and her membership committee. We are looking in late January. Door prizes, food, and drink will be provided, and the opportunity for all of us to get together. More information to follow.

-- Beginning in January, the Pro Shop staff will assume the MGA and LGA weekly games. They will make up the teams, determine the type of game, and organize the entire process. The timeline will be explained by Dean/Nick in the upcoming weeks. The membership appreciates the staff taking on this project!

-- Today, December 14th the ballots will be mailed out for the election of the new Board Members. Remember you have four (4) votes. In the same envelope you will have the opportunity to vote on a by-law change. The change will allow new elected Board Members to serve a three-year term, instead of the current two-years. Any questions, please see a Board Member. A special thank you goes to our Search Committee and all their hard work. **Very much appreciated!**

-- In our last Board Meeting, our 2023 Budget was completed and adopted. This is a change from last year when the Budget was formally adopted in early March. A **special thank you** goes to Mike Collins for his leadership and commitment. We had several meetings with the Board, Dean, and Tim to implement a comprehensive and financial plan for a challenging upcoming year!

-- A special Thank You goes out to **Daryl Whisenant** for all his hard work in our golfing community. He works tirelessly with his POA responsibilities and has included LFCC whenever possible. He has become a true asset, and LFCC would like to thank him on behalf of our entire membership!!!

---- **Golfer of the Month!!!!** Joe Troiano. Joe, once again, is the first person to sign up for his membership for 2023! Joe has always been a wonderful member, and a great person to play golf with.

---- New Members!!!

David Brown and Family
Holden Beach

Bringing our total for 2022 to **158!!!!** We can remember a time when this number would have been unreachable!!

---- Final Note: We look forward to our Annual Membership Meeting January 28th at 10:00 in the River Room. Our goal is to announce our new LFCC Board for 2023, share our financial situation, discuss more Stephen Kay Projects, and answer any questions/concerns our members may have. Hope everyone will have the opportunity to attend!
