

Golfing Courtesies

These courtesies are to help all of us enjoy our game more. We all need to look out for each other.

1. Play only one ball from tee to green.
2. Keep up the pace of play. Let faster groups play through. Be aware and watchful of people in front of you and those behind you.
3. Plan on the perfect shot; if your perfect shot will hit into the group ahead, wait until they are out of range.
4. Play ready golf. If you are ready and the person who is next is not, go ahead and hit your shot.
5. Keep conversation to a whisper when another person is taking a shot.
6. Use rake in sand bunkers. Place rake in flat part of bunkers.
7. Repair fairway divots with cart sand and tap down with foot. Fill with enough sand to create a smooth, even surface.
8. Take cart to far end of green to speed exit from green and pace of play.
9. Repair ball marks on green. Use repair tool or pointed device. Lightly tap down with putter or foot.
10. Be careful not to step in another's line of putt when on the green.
11. Be aware of your shadow, clubs, markers, etc. when on the green.
Keep these items out of the line of another's putt.
12. First player to hole out should position herself to replace flagstick once play of the hole is complete.

Lockwood Folly Ladies' Golf Association
Events and Activities
(Revised March 2023)

The Lockwood Folly Ladies' Golf Association (LFLGA) provides the following activities to encourage and support golf for LFCCI members. Specific questions concerning the activities can be directed to the Committee Chairs or Officers of LFLGA.

The nominal yearly association dues are the primary source of income to support the association, as well as fund a small portion of these activities. To participate in golf events, you must be a member in good standing of the LFLGA and have an established USGA handicap. Where appropriate, the handicaps will be capped based on an index of 40.4.

18 - Hole Weekly Golf League
(Tuesday/Thursday)

All members of the LFLGA are invited to participate in the 18 - hole league which plays on Tuesday and Thursday. Tuesday is a non-competitive day of play with tee times available in the morning and early afternoon. Thursday morning and afternoon play include a "game" day event. Please contact the Pro-Shop for more information or to schedule a tee time.

9 - Hole Weekly Golf League
(Tuesday)

All members of the LFLGA are invited to participate in the 9 - hole league which plays on Tuesday afternoons. The group is especially popular with those who are beginners or who have been away from the game for a while. Please contact the 9-hole committee chairperson for more information or the Pro-Shop to schedule a tee time.

Ringers

All LFLGA players are encouraged to participate in the yearly ringer event. A ringer card is made out each December and continues until the end of October the following year. Each paid member of the Ladies Golf Association, who has an established handicap, will have a ringer card. Scores used for ringers are the gross scores from official lady's day play (currently Tuesdays and Thursdays). After play, each member is responsible to circle the lowest score for each hole on the ringer card. It is not necessary to erase previously circled numbers. Prizes are awarded by flights at the November luncheon. Players can designate their ringer card for the 9 - hole league, only to compete for the 9 - hole ringer tournament. Players are also reminded to indicate green or red tees on their ringer cards.

Clinics

Yearly clinics are sponsored by the LFLGA for members. These clinics are provided by the Club Pro for a small fee. The topics include sand shots, pitching, chipping, woods, and course management.
