

Lockwood Folly Country Club  
Newsletter  
August 13, 2025

The LFCC Board would like to send out updates, information, and concerns to our membership. If possible, we plan to do this once a month to keep our membership better informed.

—LFCC has really witnessed a lot of unusual weather. It's really given our maintenance department a host of challenges, especially in the height of the mowing season. Lighting has played games with our irrigation system, causing Tim to bring in outside help to get the watering system back on track. In addition, we lost two trees on #15. When you get a second, please thank Tim and his crew for their hard work!!!

—**A Special Thank You** to the Men's Golf Association (MGA) for cooking hamburgers and hotdogs for our Maintenance Staff (11 workers) on Wednesday, September 30th. What a wonderful gesture!!!! I believe the **chefs** were **Joe Troiano, Doc Beaty, and Ron Horensky!! Great job!!!!**

—The new practice area is coming along nicely!! The new putting green may take a little longer as the root system must take hold and have a solid foundation. Les will keep us posted when the area is playable.

—The Board recently discussed moving the much-needed Maintenance Day from Wednesdays to Mondays beginning next year. Would like to have the membership's opinion before a decision is made. Please share with any Board member in the next few weeks. A final decision will be shared in our Annual January Meeting.

—**Upcoming events:**

Aug 16	Saturday	Port City Tournament	Reverse Shotgun
Aug 22	Friday	Ladies Interclub	
Aug 25	Monday	Myrtle Beach World Am	Shotgun Start
Sept 9	Tuesday	Men's Ryder Cup	Tee Times
Sept 11	Thursday	Men's Ryder Cup	Tee Times

—We have a beautiful framed painting by our own renowned artist, **Lois Ebbert**, that is hanging in the Proshop. It depicts a girl golfing with multiple colors. Donated by **Mary Volrath**.

**This watercolor is up for bid with bidding starting at \$50.**  
**All proceeds raised will go to Breast Cancer Research via Play for PINK.**

—The next MGA Travel League is scheduled for August 20th at Oyster Bay. Tee times start at 8:28 am. Cost for golf is \$45.00, and the buy-in for the game is the usual \$15.00 (bag drop, game prizes, and low net included). We have spots for 28 players. Contact Doc, if you're interested!!

—Remember to give our new pro, David, a call when everything else has failed and you just need a lesson!!! The rumor is that David is a miracle worker and can get you ready for the Club Championship!!! It would be nice to have a private parking space!!!

—A Special Thank You to ***Larry Alligator Trotter!!!*** Larry just pressured washed our halfway house on #10. In addition, he has remodeled the bathroom in the Cart Barn!!! This will help late golfers, when the pro shop is closed. In addition, he is in charge of picking out a color for re-painting the halfway house. If you have any ideas on a color, please touch base with **Larry**.

### **Special Note:**

LFCC is fixing to enter into a transition in the Oak and Anchor. Joe's final day is August 18th, with the new proprietors taking over on August 21st. We can all agree that Joe gave us seven (7) years of wonderful food. While it will be sad to see Joe go, we are excited to welcome Marty Westenburg and his wife, Sheyla to the Lockwood Family. They plan to open on the 21st with a limited menu, but with unlimited smiles. This is a challenging time for our community. We need to all pull together and make this transition as smooth as possible.

- **Reminder: Joe is having a final buffet this Sunday, Aug. 17th – 10:00 - 2:00.**
