

Lockwood Folly Country Club
Newsletter
December 11, 2024

The LFCC Board would like to send out updates, information, and concerns to our membership. If possible, we plan to do this once a month to keep our membership better informed.

—Please take a few minutes and stop by Marisa’s Office and donate to the Christmas Fund for our employees if you have not done so. **This is truly money well-spent!**

—Reminder of our Pro Shop Christmas Sale this Friday, Dec 13th, from 12:00 until 5:00. Terri has promised to stuff everyone’s stocking!!!

—We are sorry about the conflict with hole 11. Sea Dog construction had major equipment go bad and had to order parts. The work on #11 is important and, hopefully, the work will be completed soon. They believe the work will take approximately two (2) days.

—Everyone should have received their membership packets. If not, please contact the office for a hard copy. This information goes a long way into getting 2025 off to a great start!

—Ballots for the election of the 2025 Board Members will be sent out December 12th. If you do not receive a ballot, please contact the office.

Please thank the election committee for their hard work:

Committee Members
Jon Peters
Renee Edwards
Barbara Horensky
Don Brewer

—**Please save the date** - Our annual meeting will be January 25th at 10:00 in the River Room. We will announce our elected Board members, discuss plans for the future, and answer any questions/concerns you may have.

—**Bad News!!** The tee box on #1 is just about ready to become playable!!! That means #1 will become longer and more difficult. We think the members have really enjoyed playing from the temporary tees!!!

—Through Nick Bertucci’s leadership, the 2025 Budget is just about complete and will be voted on by the LFCC Board in the January Meeting. It will be challenging, but one we

believe we can meet. Included in this budget is the finances for a new practice area, with work expected to begin in June/July.

—**Tim's crowd** has begun working on our sand traps. They are edging the bunkers and looking for ways to improve their playing conditions.

—We are excited about the hiring of our new starters/rangers. This hiring is long overdue and really needed. Please work with them as they begin to monitor the play.

Barry Lyman and Jeff Hinkley

Special Note: As we enter 2025, the LFCC Board would like to thank all the members that were on the committees that gave valuable input to our decision-making. We feel strongly that we are a site-based group that strives to work with our membership in going forward. Our goal has always been that changes/decisions are made for the entire membership and not for just a few.

In addition, we wish our 164 family members a Merry Christmas and a Happy New Year!!!

LFCC Board
