

Lockwood Folly Country Club  
Newsletter  
July 10, 2025

The LFCC Board would like to send out updates, information, and concerns to our membership. If possible, we plan to do this once a month to keep our membership better informed.

—Just a reminder of our **Member Appreciation Dinner/Dance August 16th!!** If you need a form to register, please stop by and see Marisa. Thanks to Trish for organizing and planning this event. The deadline is August 6th.

—You may have noticed some fairway damage on #4 and #8. This was done by the water treatment company that sprays our ponds. Repairing the damage will take a little time and a lot of rain/watering. We have notified the company with a lot of pictures!!

—**Welcome to a our newest member:**

**Don Keller** - 384 Genoes Pt

Please make every effort to include **Don** in your weekly games!! This brings our membership to 151 families.

—It was the saddest day of the year when we learned that **Bill** and **Ann Bailey** had dropped their golfing membership!!! Without a doubt the nicest, most popular, and two of the best members in our short history!!! They will be missed, but will always be remembered and loved!! Thank you for all you bring to LFCC!!!

—Thursday the **Fertilizer Truck** will travel through the course early in the morning. They will spread everything and be gone before the golfers go through. Now we need just a little rain to jumpstart the growth!!

—A newsletter would not be a newsletter without thanking the team of **Bryan McCoy** and **Daryl Whisenant!** The dynamic duo has spent hours working in our maintenance building. They worked in **Jason's** office fixing 'things' and installed a large exhaust fan in the shop area. In addition, they put a new exhaust fan in our Chemical storage room and installed new lighting. One question: **do you think they worked up a sweat!!!** Thanks **Bryan** and **Daryl**, very much appreciated!!!

—Upcoming events for the remainder of July and early August:

July 14th Monday Coastal Senior Women, 8:30 Shotgun Start

July 20th Sunday Cape Fear LPGA Amateur, 9:30 Reverse Shotgun

July 21st Monday Intercoastal Match @ Rivers Edge

July 24th Thursday CGA Senior Match @ Landfall, 12:00 Tee Times

Aug 9th Saturday Mike Carver Tournament, 8:00 Reverse Shotgun

Aug 16 Saturday Port City GG, 8:30 Reverse Shotgun

---

—**Swing into summer savings at Lockwood Folly Country Club!** For a limited time, our Pro Shop is offering exclusive discounts on must-have golf gear and apparel. Whether you're upgrading your game or your wardrobe, now's the time to stock up. **Terri** has a great selection of shoes that are priced just right!!! Stop By!!!

—**Couples Golf!!!!!!** Really becoming a popular event at LFCC. This month on July 16th Lynn and Caroline are challenging everyone by only allowing three (3) clubs and a putter!! The deadline to sign up is July 11th!!! Don't be left out!!!

—Our project work on our new practice facility is coming along nicely and on schedule. CR Lutzke Golf is doing a wonderful job!!! Once the new putting green has been sprigged it will take approximately eight (8) weeks before it's playable. If Lutzke had used sod it would have created 'bumps' and would have never been the putting green our members deserve. Soon we will be sending out a letter explaining why a practice facility is needed and the long range effects it will have on the future of the LFCC.

—It's with a great deal of sadness we say good-bye to another wonderful member - **Karen Manor**. **Karen** has been a valued member and an outstanding asset to LFCC. There is no way to know how many rounds of golf **Karen** and her husband, **Mickey**, played over the years. Thanks, **Karen**, for making LFCC a better place!!

Final Note:

***A Special Thank You to Dan McGougan!!!***

**Dan** is leaving the LFCC Board effective August 1, 2025. What **Dan** has done to improve the playing conditions, implementing the Stephen Kay Plan, and helping the entire maintenance department cannot be measured!! His professionalism in his decision-making has been a true asset to the entire course. One of Dan's biggest contributions to LFCC was his involvement in hiring **Tim Cunningham** as our Maintenance Director. Another 'small' contribution was his annual sprucing up the putting green and #10 tee box with an assortment of beautiful flowers and mulch. Everywhere you turn you see Dan's footprint!!

Moving forward the LFCC Board voted unanimously to elect Les Bailey to finish out the two and half years left on Dan's term. Thanks, Les, for stepping up and helping Lockwood Folly Country Club. More on Les later on.
