Newsletter
June 11, 2025

The LFCC Board would like to send out updates, information, and concerns to our membership. If possible, we plan to do this once a month to keep our membership better informed.

—***A Special Thank You to our Membership*** for the support and love you gave to **Santiago** and his family on his retirement departure from LFCC. Through your generosity we presented the family with a little over \$1,000!!! **Steve** hosted a going-away party for **Santiago** and his family that really turned out to be an emotional farewell. **Santiago** will be missed!!

—Monday, June 16th, we welcome **CT Shaw and Lutzke Golf** as they begin the process of building us a first-class practice facility! Another step forward to help make LFCC a course that attracts guests and new members!!

—LFCC welcomes a new, old member as **Eric Wigren** has re-joined the membership. **Eric** resides at 2834 Little Palm Court, Supply. Please get **Eric** involved with the MGA and with our weekly groups. **Welcome back, Eric!**

—**Trish** wants to remind everyone to put the date August 16th on your calendar as we celebrate our membership with a **dinner-dance** in the River Room. Another way we want to thank our membership for their continued support and always stepping up when the need arises.

—Congratulations to all those who placed and to those awarded prizes at our recent ***Memorial Day Tournament.***
