

Lockwood Folly Country Club
Newsletter
October 16, 2025

The LFCC Board would like to send out updates, information, and concerns to our membership. If possible, we plan to do this once a month to keep our membership better informed.

—**A Special Thank You** to our membership for your patience concerning our new practice area. **Tim** and **Les** have set November 11th as the opening date. It's important, due to safety issues, that we open all three (3) areas at the same time.

—Our next two (2) projects are mats on the driving range and the cart paths. Both are a challenge financially, but both have to be done. **Nick**, our treasurer, has been looking at ways to pay for the budget and find funds to begin these projects. We have not yet gotten over the horrible weather from January and February. We are praying that the final three months **will be a light at the end of the tunnel.**

—The membership may have noticed the trucks and workers on the fairways. They are repairing the wiring on our watering system. The system was hit by lightning and really played a number on the ability to water our course. **Tim** has filed an insurance claim that, hopefully, will cover some of the costs.

—Our **Maintenance Department** has been up to their elbows in repairing the watering system, cleaning up debris from the recent storm, getting our new practice area ready for play, and now it's time for **Perennial Rye Grass** to be applied!!!! They are going to spread the seed in the driving range, tee boxes, and all areas that are needed. Thanks to **Tim** and his staff for ***outstanding work!!!***

—There is a rumor going around that the LGA and MGA are going to have a tournament together around November 4th!!!! We can't think of anything that would be more fun than combining these two (2) outstanding groups on the course at the same time. Any questions, contact **Ann Mary** or **Joe Troiano** for more information.

—Good luck to our **MGA Members** that are playing in the Intercoastal Interclub Finale at Sea Trail on Monday, November 11th. As we remember, we are the defending Champs!!!

—Just a reminder of our Lockwood Folly **Veterans Mixer** on Tuesday, November 11th!!!! Always a great time with great prizes and a special meal from the Oak and Anchor!! All members are encouraged to sign up. One of our best tournaments of the year!!

—Don't forget to mark on your calendar the ***Rules of Golf*** that will be presented in the River Room on October 29th. The first session is scheduled for Wednesday, October 29, 11:30-1:00, in the River Room. What a great opportunity to learn and grow in the game of golf. A special

thank you to **Lynne Borden** for putting this together!!! This is the type of event that will benefit everyone, regardless of handicap. Any questions, contact Lynne.

—We are proud to announce the **Winners of our 2025 Club Championship** at LFCC:

Ladies Overall Gross 1st place - Shirley Merrill

Men's Senior Net 2nd place (tie) - Rod Roelants

Men's Senior Net 2nd place (tie) - Barry Caruso

Final Note: The LFCC Board would like to thank everyone that has signed up, donated funds, and being involved in the upcoming Play for Pink. It's unbelievable to imagine the number of hours everyone has put in to raise money for this event. It has to make everyone involved to feel a special sense of pride to know and support such a worthy cause. Let this newsletter be the first to thank **Trish** for her leadership and hard work. **Trish** is the kind of person that helps make LFCC a special place to live!!
