The LFCC Board would like to send out updates, information, and concerns to our membership. If possible, we plan to do this once a month to keep our membership better informed.

—With the free dump week (Sept 22-27) coming up, Jeff Horkey and the POA have recommended a joint venture with the LFCC to clean up the Maintenance Area. This is the type of project where ***the more the merrier*** really means something. More information to follow.

—The dates of this year's **Men's Division of the Club Championship** will be Saturday, September 20th and Sunday, September 21st. Day one times will be assigned two days prior and day two tee times will be based upon first round scores. The grand prize is a free parking space!!

Tee-times will begin at 8:00 a.m. on both days, with day one times being assigned two days prior. Day two tee times will be based upon first round scores. This will be a great challenge to claim the reserved parking!!

—**Terri Huffstetler** has again graciously donated a week at her Oceanfront Beach House on Holden Beach again with all proceeds going to breast cancer research via Play for PINK. What a

wonderful opportunity to invite relatives/guests down for a visit! **Dates: May 2nd to May 9th, 2026.** Stop by the pro shop for pictures and information concerning this beautiful home at the beach!!!

—Time is running out for the opportunity to play with the **Travel League** that's going to Tiger's Eve on Sept. 17th. Give **Doc** a call if you would like to play!!! Always a great time!!!

—It's time to consider serving the LFCC Board as the nomination committee is looking for members to serve. We have three (3) Board Members that have their term ending in January. Don't be surprised if you are contacted and ask to serve our golf community.

—A special thank you to our membership for your patience concerning our new practice area. The overall growth of the grass involved has taken longer than expected. Both the chipping area and new putting green need additional time for the growth and stability of the roots. Sometimes ***Mother Nature*** does things at her own speed!!!

—Due to **Tim's** connections and the generosity of **The Tidewater Golf Club** we have obtained twenty-five (25) new rakes for our bunkers. In addition, we purchased ten (10) additional ones. Hopefully this helps eliminate those ***pesky footprints*** that seem to spring up each day!!!

—New Member!!!! Welcome to:

***Lou Mancuso*** - 181 Clubhouse Drive

Need for the MGA and the different groups to reach out and help Lou feel welcome!!

Special Note:

Each year our membership does a fund raiser that will benefit Breast Cancer Research!! A lot of time and effort is put in to show this disease that it will be defeated!! If you ever wanted to support a worthy cause, then this is your opportunity. To support you can play in the tournament, sponsor a hole, participate in the different raffles, and even make a donation. In addition, you can volunteer your time to help make this a huge success. Give Trish a call and ask her how you can be part of the solution to help Breast Cancer Research!! It's important to note that the Breast Cancer Research Foundation pays for all expenses, with your donation going completely to the research!!!
