

Lockwood Folly Country Club
Newsletter
August 12, 2026

The LFCC Board would like to send out updates, information, and concerns to our membership. If possible, we plan to do this once a month to keep our membership better informed.

-While water conservation is still underway on the golf course, **Tim and his staff** have started to take advantage of the recent "rain" and began lightly watering our fairways. LFCC received over 5.5 inches of rain from Aug. 1-4. They have already started looking better.

-On Saturday, August 22nd, **The Annual GOP Golf Tournament** will be held after the earlier cancellation. The prior day, Friday, Dave Sutter will need help in putting out a "bunch" of [signs](#). In the past, membership has contacted Dave and volunteered. Please touch base with Dave - suter1@atmc.net, or 910-842-3144. This has always been a great tournament financially and we need to support it.

-Get Signed Up For Couples Golf!!!! This all happens on Wednesday, August 19th at 3:00 followed by a dinner from Oak and Anchor. Please sign up by August 14th with the forms in the Ladies Locker Room. Touch base with either **Lynn Hurley** or **Caroline Shave**. Don't Miss Out!!!

-A Special Thank You to the Membership for working with the new mat system on the driving range. By using them three (3) days a week - Friday, Saturday, and Sunday- we are going to make our grassy areas last a lot longer. As you are aware, the driving range generates a great deal of revenue for the budget. Much like the beverage cart, we are finding funding that was not used in previous years.

-Membership continues to climb!!! We have three (3) new families:

Jim Gregory	3291 Channelside
Kevin Conover	Bolivia
Abby and Brian Sheehan	3405 Channelside

This brings our membership to **154 families!!!!**

Final Note:

Effective September 30 the Oak and Anchor managers, Sheila and Marty, will end their tenure at Lockwood Folly Country Club. It is with sadness that we see them go, as we have enjoyed their fine food and service. We wish them the best in any new endeavors.

David Foust, Vice-President, will put together a team to find us the best possible replacement. We have already had some inquiries.
